

**JUNIOR LEAGUE OF
MILWAUKEE**
Women building better communities

Women. Leadership. Friendship. Community. Volunteerism.

The Junior League of Milwaukee is a dynamic women's organization where you can network through volunteer, leadership and social opportunities throughout the greater Milwaukee area. We are committed to developing the potential of women, and improving communities through the effective action and leadership of trained volunteers. The members are a wide variety of ages, some have lived in the Milwaukee area their entire lives and others have moved here from all over the US. The majority of our members join to form friendships and make a difference in our community. We are a collage of women—different ages, backgrounds, life stages and walks of life. Yet we all share a commitment to volunteering to make the greater Milwaukee area a better place for all women and children to live.
