

JUNIOR LEAGUE OF
MILWAUKEE

Community Grant Request for Proposals

Deadline for Submissions: November 15, 2020

OVERVIEW

Mission: The Junior League of Milwaukee (JLM) is an organization of women committed to promoting voluntarism, developing the potential of women, and improving communities through the effective action and leadership of trained volunteers. Since 1915, the organization has spearheaded efforts to start and/or expand organizations and programs such as the Blood Center of Wisconsin, the Children's Health Education Center, Kids Matter, Care Kits for Kids, Safe Home Environment (an Aurora Healing & Advocacy Services service), Revitalize Milwaukee, and Sojourner Family Peace Center. We also provide support to nonprofits throughout the greater Milwaukee area through various single day volunteer opportunities.

JLM is seeking proposals from community-based nonprofits to award up to \$10,000 in grants that will align with JLM's community focus areas. **Currently, JLM focuses its community efforts in the areas of education, health, and nutrition of women and children in the greater Milwaukee area.** Both programmatic and capital projects will be considered. The JLM's Grant Making Committee will use the following criteria when evaluating proposals:

- The organization's impact on the greater Milwaukee community
- The organization's fiscal health
- Whether the project aligns with JLM's community focus areas, as described above
- Whether the project can be completed within the award period (May 2021 – April 2022)
- Whether the awarded funding will have an impact beyond the grant award period
- Whether the project will meet an unmet or under-served need in the community
- Whether volunteer opportunities will be available for JLM members
- Whether the organization will recognize JLM's involvement in the project

The amount of funding awarded is dependent on the program/project proposal and will be

determined before implementation. If funding is expected to be used with other funds as part of a larger implementation, please discuss this in the proposal. In the event that other fundraising is unsuccessful, and the larger project becomes un-implementable during the JLM 2021 – 2022 fiscal year, then JLM reserves the right to withhold the grant award.

Funding must be used within the grant award period of May 1, 2021 - April 30, 2022. The winning organization(s) commits to recognizing the gift and partnership with JLM. The winning organization(s) will provide a detailed written update on the project to JLM in May 2021. JLM may perform a site visit to view the project impact.
