

Women Building Better Communities

Our Mission

The Junior League of Milwaukee is an organization of women committed to promoting voluntarism, developing the potential of women and improving communities through the effective action and leadership of trained volunteers.

Your Provisional Year

During your first year in the Junior League, you'll be exposed to many different facets—from our community partners, to membership events, to learning about League operations, you'll learn how the League services Milwaukee and meet many members in the process.

You'll attend monthly classes to learn about the League, attend General Membership Meetings with active members, and have the opportunity to volunteer at events organized by League members.
